Dear Sue,

Fantastic... that's what the evening was and then some!!! What fun it was having Kevin, Brad and Dan here in Farmington, NM. We had an opportunity before the concert for them to visit the Connelly Hospitality House, so they could see where the proceeds from the concert and the Cancer Walk-a-Thon would go. It was a joy showing them the house. Roberta, one of our Connelly House volunteers, was in the house on Friday afternoon and was thrilled to get to meet Kevin and have her picture made with him. He is so kind and gracious to everyone he meets.

I have heard nothing but good comments about the concert. Kevin and the guys were so relaxed and personable that everyone was able to sit back, relax and just have a good 'ole time! He shared from his heart through his words and music and we were all privileged to be treated as old friends. He will be long remembered in Farmington for his great compassion and caring. We hope to have him back... maybe to help us celebrate our 30th Anniversary!!

Thanks for making everything so easy and fun! Kevin is so fortunate to have you working with him. I would love to meet you in person some day. Please extend our thanks to Kevin, Brad and Dan for making the evening such fun!

Sincerely
