TO: Kevin Sharp

Sue Veldkamp

We would like to thank all of you for your participation in our L.I.F.E. conference on September 17, 2004. The presentation was excellent and a great closer for our morning and afternoon sessions.

Feedback we have had from the luncheon was very favorable as well. Several employees, who were unable to attend, have approached me expressing regret that they missed your presentation.

Attached are some of the comments from the evaluation forms from those that attended the morning and afternoon sessions.

We enjoyed meeting all of you and wish you well in your future endeavors!

Sincerely,

Caroline J. Michel
